# MUHAMMAD RIJAL **AUFAR**

Web Content Editor │ rijal.aufar@gmail.com │ +62 898 3590 767

Hello, my name Upar, I graduated from PGRI indraprasta university as a Bachelor of Engineering and Computer Science, my major GPA score is 3.21. I am very interested in UI design, 3D animation, video editing, HTML / CSS web programming and Framework Bootstrap.

I have experience working in a private company as a Web Content Editor. I have been working there for 1 year until now. My responsibility are to update monthly promos, create new sku for products, fill in product descriptions and specifications, upload these items to the market place and link to the company website.
